

Worcester Dec 15<sup>th</sup>, 57-

Dear Mrs. May,

I send by Com.

Anne Vernon, Worcester's contribution to the Boston Fair - as marked there are about fifty dollars worth.

The inclosed ten dollars are from our late Fair - which has been collected since then ~~this~~ - I wish I was going to Boston sometime during the Fair - but circumstances forbid it - I trust you will have a successful Fair.

Please remember me kindly to thy husband & Ade -

Most truly thy friend  
S. H. East
